EKCA Hardware Replacement Form

 Notes for Route Developers: The EKCA relies on donations and grants to equip and retrofit climbing routes in the East Kootenay. Hardware used in route development will be replaced only when: EKCA hardware is available, the new route is considered in good style by the EKCA Board of Directors and the Route Developer has used appropriate climbing hardware. The EKCA will deem what hardware will be replaced on a case by case basis.

Instructions: Complete form and submit to EKCA President Marc Trudeau (marctrudeau36@gmail.com)
